❧ Sheet I. Chapter I — The Night Watch and the Feather of the Firebird ❧

In a Tsar's orchard stood a wondrous apple tree bearing golden fruit. Every night the glowing Firebird flew in to peck the apples. While his two older brothers slept through their watch, young Prince Ivan stayed awake till dawn and caught a single blazing tail feather—before setting out across the world to find the bird.

Where others yielded to drowsiness, Ivan's vigilance earned him the first spark of a great quest.

❧ Sheet II. The Pact with the Grey Wolf in the Deep Forest ❧

Far in the wilderness Ivan met the mighty Grey Wolf—the master of the forest paths. Instead of despairing over his lost horse, Ivan spoke with respect, and the Grey Wolf became his sworn mentor and companion.

Carrying Ivan swifter than the wind to the high walled garden, the Wolf gave him one strict rule: 'Take the Firebird itself, Ivan, but do not touch the golden cage—or the alarm strings will ring!'

❧ Sheet III. Chapter II — The Temptation of the Golden Cage & The Golden Bridle ❧

Stepping into the garden, Ivan took the Firebird—yet his eyes gleamed at the jewelled golden cage. Forgetting the Wolf's warning, he reached for the cage, and a hundred bells rang out! Later, at the stables of the Golden-Maned Horse, he made the same mistake by reaching for the diamond bridle.

Twice his loyal mentor, the Grey Wolf, had to rescue him from captivity through brilliant strategy and patience.

❧ Sheet IV. Chapter III — Princess Elena and the Envy of the Brothers ❧

With the Grey Wolf's help, Ivan won the heart of Elena the Fair and returned home with the Golden-Maned Horse and the Firebird. Along the border road, however, his envious older brothers ambushed him while he rested and claimed his hard-won treasures as their own.

Even inside one's own family or company, unguarded envy can strike at the final mile.

❧ Sheet V. The Living Water of Loyalty and Triumph ❧

True to his word beyond every trial, the Grey Wolf revived Prince Ivan with the Water of Life, exposed the brothers' deceit before the Tsar, and blessed the joyful wedding of Ivan and Elena.

Thus the three-chapter epic crowns two laws of greatness: listen strictly to your seasoned mentor's red-lines, and guard your loyal alliance to the very end!

THE GOLDEN KEY TO THE TALE

Three Questions for a Warm Conversation with Your Child

✦ Why This Happens in Real Life ✦

"He who honours his mentor's word and keeps a loyal friend crosses three kingdoms undefeated."

1. Why did Prince Ivan succeed on the night watch when his brothers fell asleep?

How does staying patient and attentive when a task is quiet open the door to big adventures?

2. Why did touching the golden cage and the golden bridle cause so much trouble?

When a wise coach or parent says 'Take the main thing, don't grab the shiny wrapper,' why is self-control so important?

3. What made the Grey Wolf the truest friend in the world?

How do we show gratitude and loyalty to those who help and teach us?

THE GAME OF “THREE ROADS”

Find the Wise Choice Together and Sketch Your Victory!

Imagine This Real-Life Situation:

Your coach or parent gives you a clear safety rule for a trip or project, and halfway through you see something shiny that tempts you to break the rule 'just for a second.'

1. **Path 1 (Grabbing the Golden Cage):** Break the rule for a shiny distraction and set off the alarm for the whole team.
2. **Path 2 (Forgetting to Thank Your Helper):** Take all the credit for a win and forget the friend who helped you.
3. **★ Path 3 — The Wise Choice (Discipline & Loyal Friendship!):** Follow the wise instruction to the letter, focus on the true goal, and share the joy of victory with your mentor!

❖ Creative Task: Draw Prince Ivan riding the swift Grey Wolf under the stars while the glowing Firebird lights their way!

MAP OF THE FOUR PATHS

Why the Winning Answer Always Lives in the Top-Right Quadrant (★)

↑ RESPECT FOR MENTORS & LOYAL FRIENDSHIP →

Lesson II • Good Heart, Impulsive Hands

Loves the mentor, yet keeps grabbing 'golden cages' on impulse and creating emergencies.

★ ALLIANCE OF DISCIPLINE & LOYALTY

Listening to wise guidance, keeping self-control, and cherishing faithful companions.

Lesson I • Envy & Sleeping on Watch

Laziness during the work followed by envy toward those who laboured honestly.

Lesson III • Cold Obedience Without Heart

Following rules mechanically without gratitude, warmth, or true friendship.

← Impulsive Rule-Breaking ('The Cage') | **SELF-DISCIPLINE & KEEPING ONE'S WORD** | **Strict Focus on the Main Goal →**

✦ How to Show Your Child the Map of Four Paths ✦

Point to the four squares together: when we drop either axis—losing either **personal responsibility** or **warmth toward loved ones**—we slip into one of the three traps. Only when both axes reach their peak do we enter the **Top-Right Quadrant (★)**, where the whole family wins!

THREE RULES OF A WARM HOME

Psychological & Pedagogical Guide for Parents

Rule 1. Explain Why Red-Line Rules Exist

Like the Wolf explaining the alarm strings on the cage, tell children the real reason behind every safety rule.

Rule 2. Separate the 'Firebird' from the 'Golden Cage'

Teach children to focus on essence (knowledge, skill, friendship) rather than flashy trappings.

Rule 3. Cultivate Gratitude to Teachers and Mentors

Always thank the coach, teacher, or elder who helped the child grow.

✦ Why Fairy-Tale Metaphors Work Faster Than Lectures ✦

Direct scolding triggers defensiveness in a child's brain, whereas a shared fairy-tale image turns correction into a friendly smile: one warm reference to the story's heroes resolves tension in seconds!

EVERYDAY TRANSLATION TABLE FOR PARENTS

How to Replace Scolding with the Language of the Tale

Everyday Moment	Common Trap (Quadrants 1–3)	★ Wise Top-Right Response
Child breaks an agreed safety rule for a shiny distraction	Shout without explaining.	“That was the Golden Cage moment! Let's see how the Grey Wolf's rule protects us next time.”
Siblings envy each other's success	Compare them against each other.	“In our family we rejoice in each brother's Firebird and help each other win!”
Child succeeds with a teacher's or friend's help	Act as if they did it all alone.	“Let's write a warm thank-you to your 'Grey Wolf' mentor today!”
